Zone 4H Report

Since our last District Convention, unfortunately Lymington and Brockenhurst Lions Club has closed. Four of the former members have transferred to New Milton Lions Club.

New Milton Lions Club currently has 30 members.
Ringwood and Fordingbridge Club currently has 12 members.

These two remaining clubs in the Zone are continuing to serve their communities as best they can in the current circumstances. Members are not able to meet face to face and neither fundraising nor service activities are easily carried out.
